Why should models and celebrities be the only ones in the know? Face This offers you a Model's Secrets to gorgeous photos!

It's time to stop being jealous of your friend who never takes a bad photo and start learning the tips, tricks and secrets for looking like a cover girl yourself! Do you wish you knew what to do to take a gorgeous picture every time? Now you can! Maybe you are a young girl interested in modeling, a bride preparing for photos on your big day, a young mother wanting to capture a special image with your new baby, a single girl signing up for a dating site, or a professional in need of a headshot. All of these occasions are moments when you want an image that will make you proud. Face This will uncover the secret to doing this beautifully and put you well on your way to looking better in every photograph. There are plenty of books written out there for photographers, but Face This is written for YOU - the girl who wants to know what to do in front of the camera to guarantee a beautiful shot - where to look, what to wear, which way to do your makeup, how to disguise unflattering features. Learn what real models, professional photographers and makeup artists use to create amazing photographs.
