FACES PLACES VOLUME 6 EBOOKS 2019

Author: Steve Cohen

Realese Date: Expected @@expectedReleaseDate@@

This book of photos contains the favorite pictures from the archives of one of America's most prolific and widely published travel journalists of the last 30 years. Steve Cohen is an award-winning photographer, travel writer and author of dozens of books and travel guides. His work has appeared in virtually every major North American newspaper and travel magazine in print and online, as well as many publications overseas. He's reported from and photographed all of the United States and more than 75 countries. In this book he shares photos he loves. They're from all over. The theme, if there is one, is to dream. It's part of a series of short photo eBooks meant not to take you to anywhere specific, but to take you on a journey of possibilities. There's so much to see. It's out there waiting for you to discover. All you need to do is look. And dream.
