G I A N T EBOOKS 2019

Author: Jose Carlos Cacheiro Aleman

Realese Date: Expected @@expectedReleaseDate@@

G.I.A.N.T. is a poetic odyssey and personal history of a old western stranger, mason and American young writer that journeyed 'with a guilded-guided but humble heart and insight-full quill' along this life-time traveling, found the "common ground" that all human beings eventually seek and share after reuniting with the past present and future-self's soul and reflections... of experiences as one physical creator and master builder.
