GALAXIUM. As war rages in the Fremona system and a game of intrigue plays out on the Usirian battlecruiser Rameses, Jason Starchild has escaped captivity and a certain fate of being reprogrammed by Usirian authorities. Stranded on an alien world that is his supposed birthplace, Jason must place his trust in strangers to evade his enemies and find the one man who has all the answers. He soon discovers there is more to the power structure of Usiria than meets the eye, a great and terrible truth the authorities are willing to keep secret at any cost.
