PERSPECTIVE MADE EASY EBOOKS 2019

Author: Ernest R. Norling

Release Date: Expected @@expectedReleaseDate@@

This concise book contains all you'll ever need to know about perspective drawing. In twenty masterfully organized chapters, from simple to complex, the author explains the basics and not-so-basics of perspective drawing. He includes suggestions on how to make your drawings a lot simpler, drawing methods for observation and space division, a "Remember" section at the end of each chapter in which he summarizes the most important information and principles presented in that chapter, and a "Problems" section with exercises that will help you apply what you just learned. This great book, devoted entirely to clarifying the laws of perspective, has over 250 simple line drawings, includes 256 illustrations, and leads the reader through every important concept.
