POX EBOOKS 2019

Author: Deborah Hayden

Realese Date: Expected @@expectedReleaseDate@@

From Beethoven to Oscar Wilde, from Van Gogh to Hitler, Deborah Hayden throws new light on the effects of syphilis on the lives and works of seminal figures from the fifteenth to the twentieth centuries. Writing with remarkable insight and narrative flair, Hayden argues that biographers and historians have vastly underestimated the influence of what Thomas Mann called "this exhilarating yet wasting disease." Shrouded in secrecy, syphilis was accompanied by wild euphoria and suicidal depression, megalomania and paranoia, profoundly affecting sufferers' worldview, their sexual behavior, and their art. Deeply informed and courageously argued, Pox has been heralded as a major contribution to our understanding of genius, madness, and creativity.

FREE Download Pox Ebooks 2019ebook any format. You can read any ebooks you wanted like BESTEVERTGIFT.COM in simple step and you can FREE Download it now.

Most popular website for free eBooks. Site is a high quality resource for free eBooks books. It is known to be world's largest free Books resources.
