Dylan Sanders is attending a wedding in the mountains when his trip takes a terrible turn. A former lover appears out of nowhere, demands a private conversation, and lures him into the woods, then leaves him there, drugged and disoriented. The next morning, the woman has disappeared, and Dylan is accused of her murder.

Catherine Hilliard, a beautiful psychic haunted by her own dark past, is reluctant to offer up her cryptic visions to help skeptical Dylan figure out what's going on, but she can't leave her best friend's brother-in-law on his own ... or deny the powerful, inexplicable connection between them.

It soon becomes clear that a wily and ruthless mastermind has targeted both of them, with a motive that's very personal. Soon their race to expose the truth is no longer about staying out of jail but about staying alive ...

Reviews:

"This novel was a thrilling read with many twists and turns. Just when you think you have the book figured out the story changes. I loved the surprises in this story and would gladly read another book by this author. If you are into sequels, she wrote Silent Run, which is the predecessor to Silent Fall." Reviewed by Kelly Rieder for The Road to Romance

"A well-written romantic suspense with more twists and turns than a winding road, the relationship developing between Dylan and Catherine forms the glue of the plot.

Freethy fans will love this latest offering." The Romance Readers Connection

"Ms. Freethy follows her superb SILENT RUN with this excellent sequel. The storyline of a man and woman on the run is absorbing and the pacing is fast and furious. Incorporating a psychic heroine enhances the story and does not overwhelm it with unbelievable elements. The mystery is solved with a chilling conclusion that will shock and surprise readers."
