TAKE THAT EBOOKS 2019

Author: Neil Johnson

Release Date: Expected @@expectedReleaseDate@@

TAKE THAT! is a passionate and inspirational celebration of photography in both words and images. 40 primary photographs—from portraits to documentary to still life to pure art—are presented in amazing clarity on iPad's retina display and are accompanied by the detailed and entertaining origin story behind each image. Neil Johnson is a versatile and prolific photographer into his fourth decade of non-stop shooting. How did these images come to be? What was Johnson thinking when he captured them? Learn how some landed in his lap and others took months of preparation. TAKE THAT! is a deeply personal and revealing book about Johnson's work as a photographer and also very much about being a photographer and the nature of photography itself.
